

**Below is the latest Market Comment from Ian Williams: (03/08/2020)**

**DMS Charteris Gold & Precious Metals Fund achieved the top performing fund from all UK funds in July 2020.**

Please see below an article by Trustnet published this morning which shows the DMS Charteris Gold & Precious Metals Fund as the top performing fund in the UK across all sectors (approximately 3000 funds).

This follows on from last year where this fund was the top fund all sectors calendar year 2019.

The attached article does contain a small error in that the fund size is £32 million not £13 million as quoted.

For professional investors only, we would offer a free zoom presentation on the fund for potential investors (subject to not being overwhelmed with demand). Please contact us if you are interested.
