YFS Charteris Gold and Precious Metals Fund

(Sub-Fund of YFS Charteris UK UCITS ICVC)

Share Class: Class I Income

ISIN Code: GB00BYQ2JZ59

Authorised Corporate Director (ACD): Yealand Fund Services Limited

Investment Objective and Policy

The primary investment objective of the Fund is to achieve capital growth.

The Fund will utilise a diversified portfolio of transferable securities consisting primarily of equities whose core business is involved in the mining, refining, production and marketing of gold and/or precious metals. It may also invest in Exchange Traded Certificates, collective investment schemes (including Exchange Traded Funds), warrants, cash or near cash, deposits and money market instruments.

The Fund will primarily consist of instruments with direct underlying gold and/or precious metals exposure and shares in companies worldwide whose core business is involved in the mining, refining, production and marketing of gold and/or precious metals. Investment may be undertaken indirectly in other commodities, and minerals.

Subject to the requirements of the Regulations, the portfolio will normally remain fully invested. There will, however, be no restrictions on the underlying content of the investments held, in terms of investment type, geographical or economic sector, other than those imposed by the Regulations, meaning that the Investment Manager has the absolute discretion to weight the portfolio towards any investment type or sector at any time. However, not more than 10% of the value of the Fund shall consist of units and/or shares in collective investment schemes.

Investors' attention is drawn to the detailed risk warnings in this Prospectus.

The Fund will be managed in a manner that maintains eligibility for ISAs.

The Fund is not managed to a benchmark and due to its specialist theme, there is no suitable comparator. Investors can assess performance of the Fund using Bank of England 1 Year Fixed Rate Bond IUMWTFA.

A Glossary of Definitions which provides definitions to some of the technical language used in this document is available from www.yealand.com/policies.

Dealing frequency

Shares in the Fund may be bought or sold before 12pm on every business day.

Distribution policy

Any income this share class generates will be paid out to investors bi-annually.

Target Market

The Fund is suitable for an investor seeking to achieve capital growth over a minimum of 5 years. The Fund is unlikely to be compatible with the requirements of an investor:

- looking for a guaranteed return; or
- seeking full capital protection; or
- who does not have sufficient resources to bear any loss resulting from the investment; or
- who is not able to evaluate the risks and merits of the Fund; or
- with an investment horizon of less than 5 years.

Risk and reward profile

The calculation of the risk and reward indicator is based on 5 years of historical (actual or simulated) information so may not be a reliable indication of the future risk profile of the Fund.

The risk category shown is not a target or a guarantee and may change over time. Investors are advised that the lowest category does not mean a risk free investment.

The risk indicator for this Fund reflects the following:

The value of investments in the Fund and the income from them may go down as well as up and you may not get back your original investment when you sell your shares.

During unusual market conditions, the risks normally experienced by the Fund may increase significantly, and in addition, the Fund may be subject to the following risks.

Commodity risk: As the Fund invests in securities with exposure to a commodity, or use derivatives to track the price of the underlying commodity (ETCs), it is considered to be high risk which may result in fluctuations in the value of your investment.

Market risk: The investments of the Funds are subject to normal market fluctuations and other risks inherent in investing in securities.

Equity risk: Whilst equity investments carry potential for attractive returns over the longer term, the volatility of these returns can also be relatively high.

Collective Investment Scheme risk: The Fund may invest in other collective investment schemes and as such a Fund will bear its portion of the expenses of the other collective investment scheme, including management, performance and/or other fees

For full details of all the risks that could affect the Fund, please refer to the Prospectus.
